

Welcome to Kentucky State Parks

Wherever you travel in Kentucky, you are never far from one of our 52 Kentucky State Parks. Each park has its own unique attributes, from shorelines to majestic mountains, from winding caves to enchanting woodlands. The 18 resorts feature comfortable lodges tucked within nature's grandest landscapes. Our 32 campgrounds allow you to be in touch with nature, but remain close to all the modern comforts and conveniences.

Kentucky State Parks also offer meeting and convention facilities for groups from 10 to 900. Whether your event is a family reunion, a retreat or a business convention, our helpful staff will assist you with all the details.

With championship golf courses, marinas, multi-use trails, tennis courts and swimming pools, we are Kentucky's playground. We also offer special places to discover, explore and inspire. To introduce you to the unique features and opportunities at each park, our talented Recreation and Interpretation staff provide educational and entertaining programs for all ages and interests.

Kentucky State Parks put the "Special" in Special Events, celebrating everything from wildflowers in the spring to Hot August Blues; from watching eagles to candlelight tours. Kentucky's colorful heritage is celebrated with outdoor dramas, reenactments and living history events.
